

The St. Tim's Board decided last season to again reduce our membership fees for the 2022 season and to add a new membership category for Millennials (age 22 to 35). So the new membership categories are as follows:

- Family: \$280
- Individual, over age 35: \$200
- Millennial, age 21-35: \$100
- Junior, under age 21: \$50

Please identify your appropriate member category and make all checks payable to St. Timothy's Tennis Club and send them to:

Direct electronic payment by Venmo is also available using Pat Sweeney ID 4434748947.
Zelle payments can be made to pat@sttimtennisclub.com.

We ask that members use the court booking program on our website to reserve courts. If after booking a court your plans change please remove your booking so the court can be used by other members.

Moreover, the court scheduling app allows you to book up to an hour before your intended start time and no more than two weeks in advance.

Please feel free to call me at 443-621-6232 if you have any questions.

We are looking forward to seeing you and having another great season!

Doug Brookman, Membership Chair
